

LIGHTING SQUARED

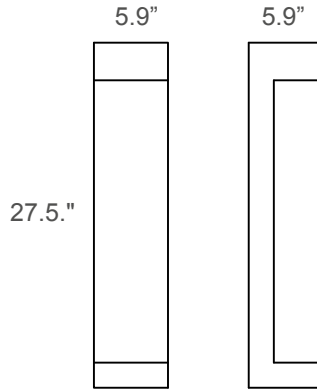

BL-2041 BOLLARD SERIES

BL-2041 BOLLARD SERIES

A minimal geometric form designed to accent the modern architecture while embracing a traditional concept.

Constructed of extruded, cast aluminum and stainless steel with an IP65 protection rating with an optional GFI.

The BL-2041 Series is an energy efficient design capable of using a dedicated LED engine. This family of luminaires has multiple heights, lumen output and colors available.
