

LIGHTING SQUARED

BL-6030 BOLLARD SERIES

A minimal geometric form designed to accent the modern architecture while embracing a traditional concept.

Constructed of extruded, cast aluminum and stainless steel with an IP65 protection rating.

The BL-6030 Series is an energy efficient design capable of using a dedicated LED engine. This family of luminaires has multiple heights, lumen outputs and colors available.

BL-6030 BOLLARD SERIES
